- Included free feature development : [\_\_\_] Hours/month (extras @ \$150/hour)
- Account set-up fee: [\_\_\_\_\_] (Standard is \$195)

Comments/Notes:

### **Live/Trial Account Definition**

A trial/demonstration account and a live account share the same terms as outlined in this agreement except a demonstration account is provided at no cost for the period outlined in this agreement. All other sections and/or terms of this agreement shall remain in force.

### **Effective Date**

The start date of this service agreement will begin on the day you sign this agreement (the "signature date") and returned to Global (via email or postal mail.) This is the only copy of the signed agreement that will exist so please make a copy for your records.

### **Term of This Agreement**

Unless stated herein (noted in the "comments" section), this agreement has a term of twelve (12) months and will continually auto-renew for successive 12 month terms at the end of each 12-month term (timed on the signature date.) You may cancel this agreement according to the terms in the "right to cancel" section below.

### **SMS / Text Messaging Cost**

In addition to the regular per-message or flat-rate fee for email marketing services, there is a \$0.04 per-message charge for sending text messages. That cost may be reduced based on quantity sent/month so please contact us for details.

### **Services Provided**

For Email Marketing: you will have full access to Global's online email marketing, mobile marketing, e-surveying, autoresponder, delivery assistance, and data collection system.

For DAS/Delivery Assist: We will monitor your deliveries from any vendor you are using and we will provide you or your administrators guidance with blacklisting or blocking issues which we discover.

For SMTP Relay: You will have full access to at least one dedicated SMTP relay server with one username/password for relay access. Initial whitelisting on the server itself has been completed and full whitelisting will begin when our technical team is informed that your mailings have commenced.

For Full Service: We will work with you to design the HTML content, send test copies for review, make adjustments to the HTML content as necessary, launch the message to your mailing list, and will provide reports 12, 24, and 36 hours after the launch.

### **Methods of Payment**

Credit cards, checks, ACH, PayPal, and wire transfers are accepted. A discount of 5% is offered to you if the invoice is paid on the same day as the date it is generated, or on the following Monday should the invoice be generated on a weekend or official holiday.

### **Payment for Services**

Pay by credit card: <https://www.gliq.com/paybill.php>

Monthly autopay link: <https://www.gliq.com/cardauth.php>

## **Billing**

Invoices are generated and delivered electronically as a PDF attachment on or about the 1<sup>st</sup> of each month for the prior month's usage. This is the only format of invoicing we generate.

## **Payment**

All accounts that have monthly invoices under \$10,000 require a credit card to be kept on file here at Global. Invoices are billed to those credit cards the same day the invoice is generated. Non discounted accounts will receive a 5% discount off the invoice total if the credit card is charged the same day as invoice generation.

## **Minimum Monthly Fee**

Unless noted otherwise the minimum monthly fee for usage of this service is \$69.00

## **No Charge for Multiple Accounts**

For email marketing services you may request to have up to 10 additional accounts opened at no extra charge other than the per-message or flat rate as chosen in this agreement. There will be no set-up fee for the additional accounts.

## **Training**

We will provide you with up to three (3) 60-minute training sessions at no charge, as close to the dates/time you request. We will provide you with free support on any new features we announce throughout the year.

## **Technical Support**

Global will provide you with e-mail technical support between the hours of 8:30am – 5:00pm Eastern US time. All support requests must be sent to support@GLIQ.com to receive assistance. Please do not email Global employees directly as they may not be in the office when you decide to email them. After hours support for emergencies (system down, server reboots, connectivity issues, etc.) is available 24/7 by using the same support@gliq.com address.

## **Custom Development**

Every account comes with a specified number of hours of free custom programming services per month. The hours allocated to your account will be noted in this agreement. The hours can be used for creation of new reports or features that help you get more usability from the service. Programming outside that allocated time will be billed at \$150 per hour, only after we receive your approval to proceed with the work.

## **Third Parties/Contractors Supporting Your Account**

You may retain, at your own cost, the services of a third-party contractor, consultant, or assistant to provide mailing, list, reporting, or other services that use all or part of the Global service. You agree now and forever that any mistakes or errors of any kind are between you and the third party/contractor only and you will now and forever hold Global IntelliSystems innocent and free from any damages of any kind including claims of errors, omissions, special damages, monetary loss, loss of income or revenues, etc. You waive all rights to claims of damages against Global when using any 3<sup>rd</sup> party.

## **Agreement to Install and Maintain Anti-Virus/Anti-Malware Software**

You agree that you are solely responsible for keeping current all anti-virus and anti-malware software running on any and all systems owned or operated by you. If you are infected by malware, viruses, or other malicious software, regardless of where it was infected or what website gave you the infection, you and you alone are responsible for the repair, disinfection, and shall be responsible for all costs related to any remedy. You shall notify Global immediately if you are alerted to an infection as infections often capture keystrokes which reveal passwords and that can give a malicious user access to your account on Global or any other service. You accept all responsibility resulting from password loss. You agree to follow industry standards and best practices regarding use of anti-virus or anti-malware software and/or creating passwords or securing passwords on internal systems owned or operated by you. If a malicious user correctly guesses your password, or steals it using any means, you accept full responsibility and assume all liabilities for data loss or theft of data from your account.

## **Spamming or Sending Unsolicited Messages From Global is Prohibited**

You, your company, it's owners, operators, managers, employees, staff, assistants, contractors, or otherwise hereby understand and accept full responsibility that any and all email or SMS/text messages sent **over our network** via any account managed by you or your company or by any third party, **must** be now and forever remain in full compliance with the Federal Can Spam Act and/or other laws that may be enacted, within or outside the United States (including CASL and GDPR laws.)

You agree that you will not use our services or network to **send** any UNSOLICITED e-mail, text/SMS messages to persons, companies, mobile phones, or even automated machines. Further, all unsubscribe or remove requests submitted to you, whether they are submitted to Global first, then relayed to you or if they are sent directly to you and then relayed into Global, or in any other manner, shall be processed within 10 business days. Accounts found in violation of the CAN-SPAM act or in violation of any anti-spam laws will be closed at the discretion of Global immediately with no refund.

Legal action may be brought against Global for **sending** any message from your account. If this occurs due to **any** act conducted through an account managed by you or your company, **not just for spamming**, you agree to be liable to Global for all costs involved in our legal defense and defense of our staff from any actions brought against it. Damages to our goodwill due to spamming from you or your company by use of **our network** are often difficult to measure. A judge or qualified 3<sup>rd</sup> party firm specializing in goodwill damage estimates will be the only body to determine the fees due from you or your company to Global for damages.

## **Liability for Illegal, Negligent, or Fraudulent Acts**

Should a court of law or federal agency of the United States charge Global, its officers or employees for illegal, negligent, or fraudulent acts due to mailings or activities directly related to an account managed by you or employees of the company where you work, or by 3<sup>rd</sup> parties you allow to operate your Global account, then you agree to be financially responsible to Global for all legal fees we incur for the defense of those illegal, negligent, or fraudulent acts.

## **Prohibited Messages**

We do not allow any account to send any of the following type of messages: Get rich quick, make money fast, multi-Level marketing, network marketing, envelope stuffing, work-at-home, drug sales (pharmacy-related), pornography of any kind (with or without images, directly or indirectly advertising), terror or terror-related, or anti-government. We do not permit ANY of these types of messages to be sent from our network. Accounts will be closed immediately upon discovery of this type of messaging and accounts will be forwarded to law enforcement if we decide it is worth investigating.

## **Third Party Issues - Payment is Still Due**

Mailing for any third party is inherently dangerous because you do not know the quality of the mailing list(s) you are being given. Global puts a significant amount of time into protecting your servers from blocks, blacklists, or deferrals and the risks increase greatly when you mail for a third party.

You agree that all invoices we send you are payable in full regardless if a third party decides not to pay you for services you perform for them on the Global service.

You agree that should any third party company you are sending mail for decides to use a "for cause" reason for cancellation, the invoice for the services we provide you, for that third party, is due and payable in full. There are no discount options should your client choose to abandon you, for any reason.

You agree that if the third party company you are sending mail for causes your servers to become blacklisted or blocked, and, if that blacklist or block causes a waterfall effect on our other client delivery servers and causes those to become blocked as well, we have the right to terminate your account immediately and any mailings you have conducted up to that moment of termination are still payable to us.

## **Deliverability Notice – Important Please Read**

While Global IntelliSystems aims for the highest inbox delivery rates in the industry, this is something that takes (a) time, and (b) efforts by You and Global together. It is agreed that Global *does not know the mailing history, complaint rate, bounce rate, blacklist status, or overall network reputation rate of You, its domains, or network*. If You had problems in the past, it will take longer to smooth out any deliverability issues. Global makes no guarantee on how long it will take to fix deliverability problems, and it may take several months to maximize deliverability. Global will work every day to help increase inbox reach and decrease junk folder arrivals for You, but we cannot guarantee You will reach the inbox, every time, all the time, now and forever. The Internet Service Providers adjust their systems almost hourly to combat spam and this means messages will always run the chance of landing in the spam or junk folder based on a word or phrase in any message. Global will do its best to give You the best deliverability rates in the industry but it takes time, and Global will not give You an exact date for perfect deliveries, if ever.

### **Technical Setup of DNS-related Items – Please Read**

Global will provide you with SPF, DKIM, DomainKey, DMARC, IEF, and other technology-related items to add to your DNS or other services which are under control by you. If you do not make the recommended changes then deliverability will be poor. That is not our fault. If you feel that you have a better idea of how to address any DNS-related adjustments, please let Global support know as soon as possible. You understand and agreed that an improperly configured DNS can and often does ruin deliverability.

### **Our Non-Disclosure and Account Privacy Policy**

Global shall not disclose, sell, rent, give away, transfer, or directly allow any other firm to have access to data you upload and manage while it resides on this service. Global makes no claim of ownership to any part of your uploaded and managed data at any time other than under the “failure to pay” section below. Global will provide the highest level of security to help ensure that your data remains private and secure for as long as you have an active account on this service. Global will delete your uploaded and managed data anytime upon your request (via email or postal mail)

### **Intellectual Property**

The software used to operate the Global service is owned wholly by Global and use of any part or portion of our service by you or your company does not grant you or your company an interest or equity in the ownership of the software or services. The data you upload is solely your property and Global does not attach any interest or lien in data belonging to you and shall not consider it part of the Global service. Any software or scripts that Global designs for you remains wholly owned by Global.

### **Severable Provisions**

The provisions of this Agreement are severable and the invalidity of any one or more provision shall not affect the validity of any other provision. If a court of competent jurisdiction shall determine that any provision of this Agreement is unenforceable in whole or in part, all other remaining sections will remain in force.

### **Assignment and Transfer**

This agreement shall not be terminated by the merger or consolidation of Global with any corporate or other entity or by the transfer of all or substantially all of the assets of Global to any other entity.

### **Governing Law, Waiver of Jury Trial, and Updates to This Document**

This Agreement shall be construed under and enforced in accordance with the laws of the State of Delaware, without giving effect to conflict of laws principles. You agree that any action, demand, claim or counterclaim relating to the terms and provisions of this Agreement, or to its breach, shall be resolved by a judge and not mediation.

### **Limitation of Liability**

Global is not offering to you, its owners, officers, employees, partners, directors, or anyone any type of warranty, guarantee, or insurance that any of its services will be free from errors, omissions, interruptions, delays, losses, or defects, whether human or mechanical. Global makes no warranties, expressed or implied, as to its services, including but not limited to any warranties of merchantability or suitability or fitness for broadcast, marketing, sales, or use. Any liability that arises out of use of this service

shall be limited to the fee charged by Global for a mailing that is reported within 36 hours after the mailing or campaign is launched or distributed.

**Right to Cancel**

Unless a different term is offered and agreed to within any comment section in this agreement, this is a twelve (12) month term agreement that auto-renews for successive periods on the anniversary date (signature date) of this agreement. You may close the account at any time and discontinue using the service by submitting a written notice either by email or US Mail and all unbilled months will become due and payable.

*Note: During the term of this agreement we may work with you to lower your rate on various services. Canceling an account early (prior to the normal end of the term) will cause the original agreed-to rate (as stated in this agreement) to be applied back to the account and you agree to pay the difference in cost. For example, if an account holder signs-up at an original rate of \$495/month and we later lower the rate to \$395/month (a \$100/month discount), and the agreement is cancelled after six months, the balance of \$600 (\$100 x 6 months) is due for the months used.*

**Abandoned Accounts**

Abandoned accounts (accounts that are 120 days past due) and all of the data in the account shall become property of Global, free and clear of any liens or encumbrances, on the day the account becomes 121 days past due.
